

key\_generation\_wh\_doub

key\_generation\_wout\_doub

allocate\_in\_Heap\_Int

```
graph LR; A[key_generation_wh_doub] --> C[allocate_in_Heap_Int]; B[key_generation_wout_doub] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box is white with a black border and contains the text 'key\_generation\_wh\_doub'. The bottom box is also white with a black border and contains the text 'key\_generation\_wout\_doub'. On the right, there is a single gray box with a black border containing the text 'allocate\_in\_Heap\_Int'. Two blue arrows originate from the right side of the two white boxes on the left and point towards the left side of the gray box on the right.
