

initArray

```
graph LR; A[initArray] --> B[findSelected]
```

A flow diagram consisting of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'initArray'. The right box is white with a dark gray border and contains the text 'findSelected'. The blue arrow points from the right side of the 'initArray' box to the left side of the 'findSelected' box.

findSelected
