```

The diagram illustrates a control flow or data flow. On the left, there are two identical rectangular boxes, each containing the text 'allocate_in_Heap_Char'. From the right side of the top box, a blue arrow points towards the right. Similarly, from the right side of the bottom box, another blue arrow points towards the right. These two arrows converge towards a single rectangular box on the right, which is shaded gray and contains the text 'makeArrayEmpty_Char'.
