

drawText

```
graph LR; A[drawText] --> B[findSelected]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'drawText'. The right box is white with a thin gray border and contains the text 'findSelected'. The blue arrow points from the right side of the 'drawText' box to the left side of the 'findSelected' box, indicating a directional relationship or call.

findSelected
